Help Feed the Hungry

Here's a great opportunity to help others and have fun doing it! The Greater Chicago Food Depository is looking for volunteers to sort food that has been donated by area merchants. The GCFD has helped feed Chicago's hungry for more than 11 years. This is our chance to help them.

Volunteer hours are Wednesday from 6:00 p.m. to 9:00 p.m. or Saturday from 9:00 a.m. to 1:00 p.m. Up to 35 people can volunteer at one time.

Contact Jerry Sanders at the Council office for more information.

School Night Supporters Recognized

This year's successful School Night for Scouting was the result of many generous contributions and a lot of hard work. School Night was an excellent example of what can be accomplished when generous corporate sponsors and hard-working district volunteers work together.

The Quaker Oats Co. leads the way again this year by donating design services and printing for the School Night fliers, posters and recognition certificates which made the massive citywide effort not only possible but totally professional. Quaker vice-president Max Lomont and his assistants Marie Grygienc and Kathy Scott worked tirelessly to assure the timeliness and quality of this year's materials.

The Chicago Tribune, another long-time supporter, donated design and production of the Michael Jordan frisbee and the unit recognition ribbon as well as providing the exciting action photo of Michael Jackson featured on the flier and poster. Thanks to Howard Hay, editor and Joseph Branka, director of circulation for their participation.

None of the preparation would, of course, be worthwhile without the efforts of the hundreds of volunteers who made School Night happen. The district School Night chairmen responsible for this great success are:

District SME Goal Set for \$267,000

Mr. Richard E. Evans, Chairman of the 1991 District Sustaining Membership Enrollment, hosted a kickoff of the 1991 campaign Tuesday, October 23, at the Amoco Building. Evans, executive vice-president of Amoco Oil, is beginning his fourth year as chairman of District SME. Key SME leadership from each district was in attendance to put the finishing touches on the campaign plan for 1991.

District SME is an annual fundraising campaign designed to involve Scouting families and small businesses throughout the Chicago Area Council in the effort to raise funds in support of the council budget. The council budget provides the funds to support training, camping, unit service and many other functions in support of quality Cub Scout, Boy Scout and Explorer program.

The overall goal of \$267,000 will be raised in three parts: family enrollment, community enrollment and Dollar Day.

The Family Enrollment consists of trained district presentation teams visiting pack, troop and post meetings to tell the story of how the council raises funds and ask families to enroll. Family enrollment is not required for membership in the Boy Scouts but each unit is asked to cooperate by scheduling a presentation date during January, February or March.

The Community Enrollment is an organized effort to solicit businesses, community organizations and other friends of Scouting and involve them in the financial support of the council.

Dollar Day is a one day, high visibility, "tag day" type effort undertaken each May in each community of the council. Funds are collected from the public at busy intersections, shopping areas and local businesses.

District SME is a critical part of the council's overall fundraising plan for two very important reasons. First, of course, the dollars raised are vital to assure the maintenance and expansion of council services. Second, and equally as important, the level of support shown by families and local businesses sends a powerful message to large corporate givers that the program is worthwhile and appreciated by those who benefit from it most directly.

Schedule your Family Presentation

The objective of the Family Enrollment is to make a presentation to the families of each pack, troop and post in the council during the months of January, February and March. The purpose of the presentation is to share with Scouting families the story of how the council raises funds and what these funds are spent for.

Financial participation in the Family Enrollment is not required of any family. Still, thousands of families do voluntarily choose to participate each year once they have heard the facts regarding why the money is needed.

The leadership of each unit is asked to cooperate in this effort by making available a date for this presentation. Ideally, this presentation should take place at a Blue & Gold, a court of honor, or other occasion when a majority of the parents of Scouts will be in attendance.

Each unit committee is asked to identify a date for their presentation, complete the coupon below and return it to the Scout office. For those who do not respond, a member of the Family Enrollment team will be calling during November or December to schedule a date.

Popcorn Sale in Full Swing

The 1990 popcorn sale has kicked off with Scouts all over the council working hard for their share of over \$20,000 worth of prizes and incentives. Scouts can earn patches, pins, camping equipment and much more. Top salesmen are competing for televisions, gift certificates and savings bonds.

In addition to the great prizes for Scouts, units earn \$1.50 for each container of popcorn sold.

This will put over \$75,000 back into pack, troop and post treasuries in Chicago between now and the end of the year. The top selling unit in the council will earn this year's fantasy prize — two tickets on American Airlines to any destination in the continental U.S.!

Due to the excess demand for campership money experienced in 1990, a new requirement has been added to the campership qualification procedure. Any Scout applying for a campership in 1991 will be required to have sold at least 24 containers of popcorn.

Trail's End popcorn is a high quality, no risk product and the council popcorn sale program is the easiest fundraising opportunity of the year. There's still time to participate — call the Scout office to sign up your unit or contact your local unit and place an order for the popcorn you'll need to get through the long winter.

Please join me in wishing Russ well as he pursues his new career interests.

SCOUT EXECUTIVE'S MESSAGE

SCOUTING INSTILLS VALUES... HELPS YOUTH ACHIEVE FULL POTENTIAL

Since 1910, Scouting has been actively developing leadership qualities in boys throughout the Chicago area. Over that time we have observed that of any one hundred boys who became Scouts, it must be confessed that thirty will drop out in their first year. Perhaps this may be regarded as a failure, but in later life all of these will remember that they had been Scouts and will speak well of the program.

Of the one hundred, only rarely will one ever appear before a juvenile court judge. Twelve of the one hundred will be from families that belong to no church. Through Scouting, these twelve and many of their families will be brought into contact with a church and will continue to be active all their lives. Six of the one hundred will become pastors.

Each of the one hundred will learn something from Scouting. Almost all of the hundred will develop hobbies that will add interest throughout the rest of their lives. Approximately one-half will serve in the military, and in varying degrees profit from their Scout training. At least one will use it to save another person's life and many will credit it with saving their own.

Four of the one hundred will reach Eagle rank, and at least one will later say that he valued his Eagle above his college degree. Many will find their future vocation through merit badge work and Scouting contacts. Seventeen of the one hundred boys will later become Scout leaders and will give leadership to thousands of additional boys.

Only one in four boys in America will become Scouts, but it is interesting to know that of the leaders of this nation in business, religion, and politics, three out of four were Scouts.

INTRODUCTION OF NEW DISTRICT EXECUTIVE

My name is George Curtis. I am the new District Executive for the Miami District. I was born in Flint, Michigan. I learned my ABA from Detroit College of Business-Flint and earned my BA from Central State University in Wilberforce, Ohio.

I am really looking forward to working with the good people who make-up the Miami district. I am confident that with your help the Miami area can be the best district in the entire Chicago council.

My early observations indicate that the Miami District has many dedicated and experienced volunteers who strive to help our youth. I applaud you.

RECRUITMENT

As we all know, membership, volunteerism, and leadership are three important characteristics found in a successful Scouting program. And because it is so extremely important that all units be successful, a recruitment drive is always essential. Therefore, any unit needing recruitment help, please call me at 559-0990.

POPCORN

Those units that need to raise money to help fund their activities can do so during this year's popcorn sale. Selling popcorn is perhaps the quickest way for units to raise money. I encourage all units to take full advantage of this opportunity. Please call 559-0990 for a Sale Commitment Card.

That doesn't include any extras and follow-ups coming in after the event. Lots of thanks to Maria Bappert, her staff and everyone who participated in this successful event. Now let's give these new youth and adults the great program that we promised them.

O/A FALL FELLOWSHIP

Thanks to all the arrowmen who participated in the O/A Fall Fellowship. It was held at the Kiwanis Outdoor Training Center on the 2nd weekend of September. Quite a bit of needed work was accomplished. Thanks from the council.

1990 AWARD RECIPIENTS

Denise Koterman is the 1990 District Award of Merit recipient. This award is given to adult Scouters who render service of an outstanding nature at the district level. Denise has been the Cubmaster at Holy Trinity School in their hearing-impaired division since 1986. For the last three years, she has taken her pack to Hoover Outdoor Education Center for summer camp. Denise has given countless hours of her time to pack projects, meetings and camp-outs. In addition to all of her pack commitments, she has been a member of the district committee since 1987 and was the skills day chairperson in 1990.

Loretta Stafford and Sister Nancy McCarthy tied for 1990 Outstanding Northside Volunteer/Leader. Loretta is the head Cub Scout leader at Near-North Special Education Center. She's taken her pack to Hoover during winter, spring and summer sessions, and led fund raisers earning over \$2,000.00 to pay for camp expenses. Sister Nancy has been one of the Cub leaders at Holy Trinity School in their hearing-impaired division for three years. She has devoted a lot of time to the program, including Saturdays and one week for each of the past three summers to take her Cub Scouts to Hoover. Sister Nancy is always willing to help, even when others are reluctant.

Kim Driscoll is the 1990 Outstanding Southside Volunteer/Leader. Kim has served as the Scout leader of Troop 80 at Southwest School for four years. She has had to be creative in adapting the Scouting program to meet the social and educational needs of her Scouts who are diagnosed as severely to profoundly mentally and physically disabled. Kim has included her Scouts in many district and council activities, including skill days, the fall color hike and camping at Hoover.

Kim was chosen to represent the Scouting for People with Disabilities program the 1989 National Jamboree. She worked in the Handicap Awareness program area, helping Scouts gain greater understanding of people with disabilities. In addition, Kim has been a member of the Scouting for People with Disabilities district committee for approximately two years.

Mr. Harold Mazurek is the Outstanding Northside Principal/Director of 1990. Mr. Mazurek is the Principal of Near North Special Education Center. He has been very supportive of the Scouting program there. He has allowed the Scout leaders there, who are teachers and teacher

aides to go to Hoover Outdoor Education Center for overnight trips during the winter, spring and summer.

Barbara Zauacki is the Outstanding Southside Principal/Director. Barbara was the Director of the CARC's Southwest School. As the director there, she enhanced the Scouting program by giving the troop permission to attend every district activity and even go camping at Hoover! Barbara considered the Scouting program an important part of Southwest and took it into consideration when making decisions. Barbara's troop assisted the local Kiwanis Club in their annual peanut sale and she was always there assisting them. Barbara has also been a member of the Scouting for People with Disabilities district committee for approximately two years, and as such assisted in selling tickets to the district benefit last May and secured the donation of several flower arrangements for the event.

Tim Gomez is the Outstanding Northside Scout of 1990. He has been a Scout since entering the Illinois Children's School and Rehabilitation Center approximately eight years ago. Tim assists in training and leading the University of Illinois Medical students who serve as volunteer leaders of his troop.

He is on the student council, football and basketball teams, has participated in swimming competitions and the key club. For the past two years, Tim has been a summer camp counselor at Hoover Outdoor Education Center where he is known as Gomer by the adoring campers.

Keith Everett is the 1990 Outstanding Southside Scout. He is in his 2nd year as co-captain of his troop at Deneen School. Keith has been a member of the troop for five years and has participated in the troop's trip to Washington, D.C., Scouting for Food efforts and their color guard. Keith has displayed leadership qualities, initiative and team spirit. He's earned his first class rank and is working towards star.

WELCOME NEW SPD EXECUTIVE

On October 22nd, Mr. Vartez Little joined Scouting for People with Disabilities as the Senior Executive serving the council from Roosevelt Road, South and supervising Jill Swenson.

UNITS

Sauk Trail is working at getting all packs, troops and posts to recharter in January or February. For the units this would make fall roundup easier and give new leaders some time to adjust. For the district we could do all the recharter in a couple of months and get on to more things, like program and activities.

ROUNDTABLE

POPCORN

Popcorn selling is going on NOW!

Sauk Trail had a great start with a record number of units signing up to sell popcorn. If your unit needs money for advancements and summer camp, we can help. Popcorn is one of the easiest ways to make money for your troop. Theresa Young is this year's district chairperson.

SME

The family campaign will start in January 1991. We'll be calling the units to find out what date they want us to give our presentation. We'll have a flip chart or a slide show for your family night. The presentation takes about 10 minutes or less. In our community campaign, Tom Jensen is already hard at work. This year's \$100.00 a plate dinner will be in March or April. Your help and understanding will make Sauk Trail a winner again.

OWASIPPE

All that is new at OSR 1991: Program and camp improvement and the fact that **TWO** leaders can now go for free (yes, free!!). If you haven't been to Owaspippe in years, come back and find out what you've been missing.

POPCORN

If you feel your unit can't go to camp because you can't afford it, now is the perfect time to fix that: Popcorn sales are in full swing. Now is the time for your Scouts to help themselves go to summer camp. Not only can units raise money for themselves, but participation in the popcorn sale makes Scouts eligible for camperships, making it easier than ever to get your Cubs and Scouts to camp this summer.

FALL CAMPOREE

Last month, Thunderbird Scouts had the unique opportunity to camp with Scouts from Rainbow Council. The theme of the camporee was "American History" particularly early colonization and the heritage of American Indians. Besides experiencing a slice of our nations past, this enabled us to broaden our perspectives on Scouting and perhaps gain new ideas.

DISTRICT DINNER

The Thunderbird District Annual Recognition Dinner will take place on Friday, December 14, 1990 at BerNello/Weigelt, 3910 North Damen Avenue. Fellowship begins at 6:30 p.m., followed by dinner and the highlight of the evening, presentation of the Award of Merit. The remainder of the evening is devoted to music and dancing. For more information, please call Don Wilke at (312) 286-3134.

NEW POST ON THE BLOCK

Belmont Community Hospital, the newest medical Explorer post, held a successful first-nighter on September 26th. Fifty-three enthusiastic students showed up for the meeting. The staff at Belmont hopes to give Explorers exposure to most of the medical careers available today.

Their program consists of Explorers participating in a three-week rotation through different areas of the hospital, such as radiology, emergency room and pharmacy. In addition, there will be oral presentations monthly from various health career professionals. Belmont's adult members include Dr. Sherry Luck, Carmelita Labuda, Barbara Beskow and Martin Caponi. Welcome aboard.

POPCORN SALE BOOSTS SHIPS BOUNTY

The Council Popcorn Sale is an opportunity to support camp programs and a way for ships to increase their treasury. Timely planning and participation can give youth a year-round program. Sea Exploring promises youth experiences in six different areas: career/avocation; outdoors, social; citizenship; service and fitness. Return the commitment card in the back of the popcorn information brochure that you received in your program packet. Let's plan and do—so that we keep our promises to the young men and women in our program.

EXPLORER FALL PROGRAM CONFERENCE

The fall program conference promises to be a grand learning opportunity for all. We are encouraging ships to elect a boatswain (president), and other unit officers so that you will have representation for the elections held at the conference. The democratic process works only if you work it!

FAMILY SME

Family SME is an opportunity for our friends and families of Scouting to help support the program offered to our youth and families. This division of the council campaign kicks off this month, November 7th. Meaning, your ship will be contacted to schedule a presentation at a family night, or other suitable event at which families will be present. We hope you will welcome this opportunity to allow our families/friends to give something back.

TRAINING

The Exploring Training Chairman is pleased to announce the addition of Richard Snow, Joseph Taylor, and T. Michael Whalen, to the training team. These volunteers are veteran Sea Explorers, and bring a wealth of expertise and experience to our training efforts. They will be active in basic leader training, and specialized Sea Exploring training. Welcome aboard!

ISECA SEMINARS KICKOFF

ISECA seminars officially began the first week of November. Schools hosting seminars included Dunbar, Von Steuben, DuSable, Hirsch, Tesla, Wells, Austin, Calumet, Lindblom, Westinghouse and Chicago High School of Agricultural Science. The ISECA program provides speakers from institutions to offer career information to Chicago high school students in ten topic areas.

ISECA SURVEY CARDS

A special thanks goes out to all the ISECA schools that made a special effort to complete their survey cards by October 5, 1990. With so much happening during the time, we really appreciate your promptness.

For those schools with a later seminar kickoff, please remember we need your cards as soon as possible so we can process the invitation labels.

POPCORN

Any schools still interested in selling popcorn? Well, it's not too late.

Your School can earn \$1.75 for each box or bucket sold. As of early November, DuSable and South Shore High Schools have agreed to participate in the sale.

A BIG THANKS

A big thanks goes to Harrison Tempest, President & CEO of LaSalle National Corporation, for printing the 25,000 student information sheets needed this year for the students to complete the survey.

ISECA would like to thank William Tyda, President & COO of Talman Home, for assisting with the printing of our admission forms.

FACULTY COORDINATOR KICKOFF

Dr. Thomas Hehir, Associate Superintendent of Special Education and Pupil Support Services, made a special appearance at this year's kickoff. It was indeed a pleasure to have him in attendance giving his support of the program.

TRANSITION

If you have students that are interested in joining an Explorer program outside of school, please let Laurette Hart or Lisa Salup know who they are. At the end of each seminar each student should be handed a flyer that lists what programs are available in Chicago. These flyers are available through Laurette and Lisa.

Remember, ISECA helps the student receive up-to-date career information about many career fields. Exploring gives the student an opportunity to learn about one career more in-depth.

EPA OFFICERS ATTEND NATIONAL EXPLORING CONFERENCE

On July 22-27, EPA Chairman Rosemary Guerrero, and Vice Chairman Nanica Brown went to the University of Colorado in Boulder for the National Explorer Conference. At the conference they met many people from all over the United States, and went to seminars and learned about things that interested them.

One favorite seminar was the aviation seminar, which lasted the whole day. Highlighting that seminar was a trip to Jeffco Airplane field where they saw different types of planes and learned what it takes to become a pilot. The second half of the day the group went on to the United Airlines portion and went on a simulator of a plane crash. During the simulation half the people died. The victims were overheard vowing that from now on, they will pay more attention to the stewardesses' safety precautions.

Besides the seminars, Explorers took part in nightly dances with a different theme each night. Other activities included softball games, jello wrestling, a mock trial, which Post 9501 from Chicago's Law Explorers participated in, and free time to meet people from places such as Alabama, Nebraska, Texas, New York, California, Ohio, and of course, Illinois.

The Chicago Area Council Kumbaya took place on September 28-30th at Hoover Outdoor Education Center. Two hundred and ninety-two scouts and scouters participated in the theme "RESPECT TO GOD, SELVES AND OTHERS." A Scouter Development course was attended by six scouters and ten scouters were trained to be Religious Emblems Counselors. Rev. Standly Rataj and Rev. James Chambers celebrated the liturgy of the mass for all. Big Thanks go to Mike Igoo and his committee for another successful and inspiring Kumbaya.

Eagle Scout Luncheon

As you may know, the Boy Scouts of America have declared 1990 the Year of the Eagle, and in that spirit the National Eagle Scout Association ("NESA") wishes to publicly honor this year's class of new Eagles in Chicago Area Council.

A special Eagle Scout luncheon will be held on the 9th of November at the Palmer House Hotel. In addition to recognizing the accomplishments of these young men, NESA will also provide an opportunity for them to meet and interact with successful men in a variety of professions. Many of these men are Eagle Scouts themselves, and they will share with the new Eagles their insights about how Scouting has helped them throughout their professional and personal lives.

The following NESA members planned and conducted the event: Paul Zeller NESA Chapter Chairman, John Conway, Charles Baccicco, Rich Deleo, Tom Gotsch, John Utz, Themis Michalakos, Steve Swoford, Larry Young, Scott Park, John Paterson, John Staab and Bill Hooks.
